Alemon of guides sent by the user, you can also find official guides, scores for low bands, Ukulele and backing for the pro users. In December 2018, the site has a little over 1,100,000 free scores for guitars. You can immediately enter the music for your guides, scroll down the collection of the top 25 sheet music or navigate to the latest updates. One of the downsides for this site is that you do not have a print feature in the real tab page. On the bottom side, this means that some of the free bad guides are bad. As community-based sites, some of the free guitar music sites have classification systems for users to vote for tabulating versions they like. The Guitarthis Free Guitar website is easily the most popular among guitar sites. 911 Guides This site is like Google for the guitar score. Free guitars are submitted to sites by thousands of users around the world. Also it has a direct initial page that is the friendly smartphone where you can do your research. Guitare TAB This is a bit similar to the previous input, with the only difference being that the initial page also displays the upper tabs with Community classification. The only footprint is that you have to give them an à € c à € onCoo in your social media pages to access some of the guides. Update to Musescore Pro.
